Equipment				100.00	_____
<b>Total Listed Installation Costs</b>				<b>1,548.44</b>	_____

**Assumptions**

There are no costs for the 1600 Square Meters of land used.

The auger to make the holes is rented.

No equipment other than irrigation equipment and \$100 for shovels etc. is included.

The labor costs only include hired labor and not management labor.

The total costs are allocated at \$795 for 1-gallon pots and \$755 for 3-gallon pots.
